### **Directions from the Airport (BHM)**

- There is only one way out of the airport - via Airport Boulevard.
- Follow it about one mile to I-20/59.
- Turn right onto the entrance of I-20 West/59 South.
- Once on the interstate stay in the right lanes.
- After about three miles, there will be an US Highway 31/US Highway 280 exit to the right. Take this exit.  
(Do NOT take the 31st Street exit.)
- These two highways become The Red Mountain Expressway that is a limited access highway.
- Once on the expressway, you will go through a chiseled cut in Red Mountain.
- Just after the cut, stay to your right and take Highway 280. (Highway 31 will go straight and Highway 280 will exit to the right and curve back over Highway 31.)
- Once you exit onto 280, you will drive approximately 6 miles until you reach Inverness Parkway.
- Turn right at the light onto Inverness Parkway and drive until you get to the second red light.
- Take a left at this light which will put you in the parking lot for building 31.
